

**Elkins High School Engineering Academy Booster Club**  
**Membership Form for 2021-2022**

Please join to become a member of the Elkins Engineering Academy Booster Club! Your membership fee for the School year 2021-2022, helps monetarily support the mission of the Booster Club to fund the various projects that provide enrichment & enhancement to the experience of your engineering student. Please visit the Engineering Academy Booster Club Website at [www.elkinshseabc.org](http://www.elkinshseabc.org) to check out the club's ongoing effort to support the academy students. You are also cordially invited to join the monthly board meetings and bi-monthly parent meetings to partake in bringing new ideas for various opportunities for our children. Our students have only four years in high school before they head out to their dream college. Time flies! Come join us and together let us make their high school journey in the academy a memorable experience!

*Join the EHS EA Booster Club now and Support your Engineering Academy Students with one of the following Memberships options (Check one) -*
